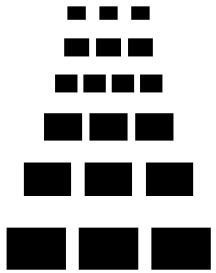
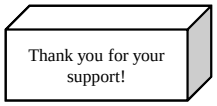
Brick by Brick

Contribute a brick and help build a lasting tribute to your support for our community's developmentally-disabled adults.



Please print your desired message clearly, placing only one letter in each box for a maximum of 20 characters in each line. Each brick may be engraved with up to three lines of text. Leave a space between names and before and after "&." Each space counts as a character. Omit punctuation marks.



The contribution for each four-inch by eight-inch brick paving stone is $100.

Your brick will be engraved with a name or special message of your choice, which will serve as a permanent reminder of your support.
